5.20 Where Focus grants to the Customer a Hosted Sub Licence it shall terminate at the point when Focus ceases to provide to the Customer the Fixed Network Services in respect of which the Hosted Sub Licence was granted and the Hosted Sub Licence and all rights in the Hosted Sub Licence shall revert to and be owned in their entirety by Focus.

5.21 Where the Fixed Network Services involve the supply of VOIP services, then it is agreed that the following shall apply and the Customer accepts that:

- (a) the Customer’s ability to make emergency calls and their priority treatment cannot be guaranteed and that any suspension or interruption of the VOIP service may result in the Customer being unable to make emergency calls;
- (b) if the Customer experiences a power cut, the customer will not be able to access emergency services using VOIP and should ensure they have alternative means for access to emergency services.

6. TERMS APPLICABLE TO DATA SERVICES

6.1 Subject to clauses 2.2 and 6.6, the supply of the Data Services shall commence on the Commencement Date and shall continue for the Minimum Term and any additional period as set out under clauses 6.3 and 6.5.

6.2 Subject to the remaining provisions of this clause if the Commencement Date for the provision of Data Services has not occurred prior to the first anniversary of the Contract Date for the Data Services then the Contract in respect thereof shall be deemed to have terminated. Focus may by giving written notice to the Customer extend the period referred to in this clause by six months if the reason why the Commencement Date has not occurred is outside of the control of Focus. Further, the period may be extended in by such period as Focus and the Customer agree. The rights of

the parties that have accrued prior to such termination shall not be affected by such termination.

6.3 Subject to clause 6.5 the Data Services Contract shall automatically extend for three years (Extended Term) at the end of the Minimum Term and at the end of each Extended Term. Either party may give notice in writing to the other party no later than 90 days before the end of the Minimum Term or of the end of the relevant Extended Term, to terminate the Data Services Contract at the end of the Minimum Term or the relevant Extended Term, as the case may be.

6.4 Not used.

6.5 Where the Customer is a Small Business Customer the Data Services Contract shall continue following the end of the Minimum Term unless or until the Customer terminates by giving not less than 30 days’ notice in writing to Focus, such notice to expire no earlier than the end of the Minimum Term.

6.6 The provision of any Data Services by Focus under a Data Services Contract is conditional on:

- (a) Focus carrying out such surveys as it considers necessary to satisfy itself that it is feasible for it to supply the Data Services and Focus being satisfied with the results of such surveys;
- (b) Focus not being prevented by circumstances and factors outside of its control from being able to supply the Data Services. Examples of such circumstance and factors include (without limit) the infrastructure not being able to support the Data Services, the Customer not obtaining the necessary permission from third parties such as a landlord to install the necessary infrastructure, or a public body such as a local authority or highways authority withholding consent to the installation of the infrastructure where such consent is required;
- (c) the installation of the lines over which the Data Services are to be provided and such lines being fully operational; and
- (d) the Customer providing to Focus’ satisfaction accurate information and data to enable Focus to calculate the Charges and to carry out or commission a site survey.

6.7 If, following carrying out the surveys as are referred to at clause 6.6, it is apparent that to enable the Data Services to be provided, infrastructure is required in addition to that which is already in place, then Focus will provide the Customer with a quotation for undertaking such work, and the Customer may either accept that quotation or not accept that quotation. If the Customer accepts the quotation then Focus shall arrange for the work to be carried out to install the infrastructure required and the cost thereof shall be paid by the Customer in accordance with the quotation, which shall be in addition to other costs payable by the Customer. If the Customer does not accept the quotation then either the Customer or Focus may terminate the Contract to provide Data Services and Focus will not be obliged to provide Data Services to the Customer.

 - (ii) the router is the demarcation point at which the responsibility for the provision of Data Services by Focus ends;
 - (iii) access to the command interface of the router (which would be required to configure the router) will not be provided to the Customer, nor will other functions that the router may be capable be enabled such as wireless connectivity and firewall functionality;

Where such termination occurs after the Connection Date but before the Commencement Date then the rate shall be the rate that would have applied at the Commencement Date had the Contract not been terminated.
 - (d) If the provisions of clause 6.18(c) apply and in the event that a supplier used by Focus to provide the Data Services to the Customer reduces the amount that it charges to Focus from that which it is contractually entitled to charge in respect of the Remainder of the Term Focus shall advise the Customer of the amount of the reduction and that reduction shall be deducted from the amount payable under clause 6.18(c).

The Customer is strongly advised to install robust and effective security provisions to prevent unauthorised and/or fraudulent use.
- 9.3 If Focus' performance of any of its obligations under the Contract is prevented or delayed by any act or omission of the Customer or failure by the Customer to perform any relevant obligation or comply with any obligation or policy under the Conditions (**a Customer Default**):
- (a) Focus shall without limiting its other rights or remedies have the right to suspend performance of any Service until the Customer remedies the Customer Default, and to rely on the Customer

Default to relieve it from the performance of any of its obligations to the extent that the Customer Default prevents or delays Focus' performance of any of its obligations;

10. CHARGES AND PAYMENT FOR SERVICES

- 10.1 The Charges for the Services and/or the Equipment shall be charged to and payable by the Customer in accordance with this clause 10 and in the case of Data Services and Fixed Network Services in accordance with this clause 10 and clause 11. Focus shall automatically apply an annual increase in the Charges based on the Consumer Price Index (CPI) plus 3.9%. Focus uses the CPI figure published by the Office for National Statistics (www.ons.gov.uk) in January and will apply the change in April each year. In the event that the rate of CPI is negative, Focus will only increase the Charges by 3.9% in the relevant year. For example, a previous monthly charge of £100 + VAT would become £114 + VAT based on January CPI in 2023 of 10.1%.
- 10.2 The Charges for the Equipment and Installation Services shall be as specified in the Order Form and the Price Guide and calculated in accordance with these Conditions. Except as otherwise specified in the Order Form, Charges for Equipment and Installation Services shall be payable on Delivery. Where Focus hires any Equipment to a Customer and that Customer is either: (1) an individual; (2) a partnership consisting of two or three persons not all of whom are bodies corporate; or (3) an unincorporated body of persons which does not consist entirely of bodies corporate and is not a partnership then that hire of Equipment will always be at zero cost. In these circumstances, Focus will retain ownership of such Equipment for the entire duration of the Contract and the Customer shall be required to return the Equipment upon termination of the Contract. If such Equipment is not returned within seven days following the termination of the Contract, Focus reserves the right to charge the Customer a fee in respect of each item of Equipment, as specified in the Price Guide.
- 10.3 The Customer shall pay any deposit specified in the Order Form within seven days of submitting the Order Form to Focus.
- 10.4 The Charges for the Maintenance Services shall be as specified in the Order Form and calculated in accordance with these Conditions. Except as otherwise

**Focus Group Standard Terms and Conditions for Contracts

- specified in the Order Form, Charges for Maintenance Services shall be payable monthly in advance with the first payment due on the first anniversary of the Commencement Date of the Maintenance Services Contract, and continuing to be payable monthly thereafter.
- 10.5 Where clause 4.10 applies in relation to Maintenance Services, Focus shall be entitled to make such additional charges as are calculated in accordance with the Price Guide.
- 10.6 Focus may charge the Customer a call out fee where such call out occurs based on incorrect information being provided to Focus or where a call out occurs but the operative is unable to gain access to the premises within the times notified to the Customer for the call out.
- 10.7 In addition to the increase set out under clause 10.1 the Charges for the Maintenance Services shall increase on each anniversary of the Commencement Date by a further 8%. For example, a previous monthly charge of £100 would become £108.
- 10.8 The Charges for the IT Support Services shall be as specified in the Order Form and calculated in accordance with these Conditions. Except as otherwise specified in the Order Form or these Conditions, Charges for IT Support Services shall be payable monthly in advance with the first payment due on the Commencement Date, and continuing to be payable each month thereafter on the anniversary of the Commencement Date.
- 10.9 Where IT Support Services are provided during Out of Hours or at the Customer's premises (or such location as is required by the Customer), the Charges shall be calculated by reference to the applicable hourly rates specified in the Order Form, or, if not stated in the Order Form, such hourly rates as specified in the Price Guide. Focus may invoice the Customer in respect of such services rendered, immediately after their provision.
- 10.10 Where clause 7.10 applies in relation to the IT Support Services, Focus shall be entitled to make such additional charges as are calculated in accordance with or stipulated in the Price Guide.
- 10.11 Without prejudice to clause 10.1 Focus shall not increase the monthly charge or its hourly rates in respect of the IT Support Services unless the Customer's network or user count has increased and at which point, any increase would need to be agreed by both parties prior to any increase being applied. The Customer's network and user count will be reviewed by Focus every six months from the Commencement Date.
- 10.12 Where Charges are calculated according to the Customer's usage, such usage shall be determined by reference to data recorded or logged by Focus and not by reference to any data recorded or logged by the Customer.
- 10.13 The provisions of this clause 10.13 apply to any proposed increase in the Charges other than those referred to in clause 10.1 (CPI increase) clause 10.14 (third party supplier increase) and clause 10.15 (regulatory price increase). Focus reserves the right to increase its Charges for any Service (including without limitation by revising any Tariff). Focus will give the Customer written notice of any such increase not less than 30 days before the proposed date of the increase. If such increase is not acceptable to the Customer, it shall notify Focus in writing within 14 days of the date of Focus' notice that the Client wishes to terminate the Contract, failing which the Customer shall be deemed to have accepted the changes.
- 10.14 Subject to applicable regulations, Focus shall, no more than once per calendar month, increase its Charges for any Service (including without limitation by revising any Tariff) as a result of any increase in charges made to Focus by third party providers to it by a sum equal to any such increase. In such circumstances Focus will notify the Customer in writing of any increase.
- 10.15 Where Focus proposes to increase its Charges for any Service (including by revising without limitation any Tariff) as a consequence of a regulatory change and that the increase is no greater than the additional cost to Focus caused by the regulatory change, it will give the Customer written notice of any such increase not less than 30 days before the proposed date of the increase. In such circumstances the Customer shall not have the right to cancel the Contract.
- 10.16 Except where otherwise specified in these Conditions or the relevant Order for any Service, the Customer shall pay each invoice submitted by Focus:
- (a) within 14 days of the date of the invoice; and
 - (b) in full and in cleared funds to a bank account nominated in writing by Focus.
- 10.17 Time for payment of all Charges shall be of the essence of the Contract.
- 10.18 All amounts payable by the Customer under the Contract are exclusive of amounts in respect of value added tax chargeable for the time being (VAT). The Customer shall pay to Focus such additional amounts in respect of VAT as are chargeable on the supply of the Services at the same time as payment is due for the supply of the Services.
- 10.19 Invoices shall be deemed to have been accepted if the Customer does not present a written objection, identifying clearly the disputed invoice and the reasons why it is challenged, to Focus within 30 days of the date of the invoice.
- 10.20 If the Customer fails to make any payment due to Focus under the Contract by the due date for payment, then the Customer shall pay interest on the overdue amount at the rate of 4% per cent per annum above HSBC Bank plc's base rate from time to time. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount, whether

- before or after judgment. The Customer shall pay the interest together with the overdue amount.
- 10.21 The Customer shall pay all amounts due under the Contract in full without any set-off, counterclaim, deduction or withholding (except for any deduction or withholding required by law). Focus may at any time, without limiting its other rights or remedies, set off any amount owing to it by the Customer against any amount payable by Focus to the Customer.
- 10.22 Focus may exercise a lien over any equipment or goods in Focus' possession belonging to the Customer, for all monies payable by the Customer to Focus.
- 10.23 Any delay in Focus raising an invoice for any Charges shall not prohibit Focus from raising an invoice for the applicable Charges at a later date and the Customer shall pay such Charges.
- 10.24 Focus reserves the right to make additional charges for paper billing, late payment, reconnection, non-direct debit payment methods and incorrect fault reporting by the Customer. Such charges are as set out in the Price Guide.
- 10.25 Focus may at its sole discretion refuse to provide support in respect of the relevant Services and/or support any Equipment if the Customer fails to pay one or more invoice by the relevant due date, and the Customer acknowledges and agrees that any such support may be withheld until Focus is satisfied that any outstanding payment has been made or outstanding balance rectified.
- 10.26 It is expected that the Customer will use the inFocus Portal (where the Customer has been set up on the inFocus Portal) as the primary mechanism to contact Focus for Incidents, service requests and status updates. In the event that the Customer regularly uses the Service Desk (via telephone or email) as the primary route for raising Incidents, service requests and/or obtain status updates the Focus reserves the right to charge an administration fee of £30 per call, subject to reasonable prior notice to the Customer.
- 10.27 Focus reserves the right to recover any costs it incurs, including legal fees, on a full indemnity basis as a result of the Customer's failure to comply with these Conditions and/or any Service Specific Conditions.
- 11. ADDITIONAL TERMS RELATING TO CHARGES FOR DATA SERVICES AND FIXED NETWORK SERVICES**

- 11.2 Charges for line rental are payable from the Handover Date monthly in advance by direct debit, or such other method as is specified in the Order.

- 11.8 The Customer further acknowledges and agrees that Focus may apply a charge (calculated monthly and payable by the Customer in arrears) for each inbound number which, either, does not carry any traffic for any one month period, or, carries traffic which is at least 50% lower than that outlined in the forecast provided under clause 11.7.
- 12. ADDITIONAL TERMS RELATING TO CHARGES FOR MOBILE SERVICES**
- 12.1 In respect of Wholesale Mobile Services, and notwithstanding clause 10.1, the Customer acknowledges and agrees that Focus may at its discretion increase the Charges for line rental provided that Focus gives the Customer not less than 30 days' written notice prior to the increase, such increase to be capped at 5% in any one year.
